As a high school student that absolutely HATES writing, I was on the lookout for a service that could help me improve my skills. I tried a variety of online services, but [paperhelp](#) was by far the most effective. I needed help with my Literary Analysis of *The Great Gatsby* because there were multiple literary components that I didn't fully understand. After selecting a writer and chatting with him for over 3 hours, he really helped me gain a more thorough understanding of the novel overall, and he taught me how to use examples from literature to defend my point.

EduGuide was created in 2018. According to my little research it has 2.5 from 5 stars rate on Trustpilot. Also I would suggest you to check some reviews here on Reddit, e.g. this [link](#). I prefer to check some old sites. I don't trust newbies. I'd recommend [paperhelp](#) (domain was launched in 2008).
